Read the following:-

Letter from T. Bhaskara Rao Esq., I.C.S., Collector of Bellary, No. Ref. C.4687/35 dated 8-11-1935.-

Acquisition - Land - Hospet taluk - Basavanna extension channel and other works - Entertainment of Special staff - Applied for.

The Sub Collector. Hospet requests the appointment of a Special Revenue Inspector. one peon and two chainmen for a period of three months for subdivision of the lands to be acquired for the Basavanna extension channel and its distributaries. This correspondence is in the preliminary stage. The notifications under Section 4 (1) of the Land Acquisition Act are to be prepared. The number of fields involved in the acquisition is 93 and the number of subdivisions likely to be made is 192. I agree with the Sub Collector that the employment of a Special Revenue Inspector is more useful than the appointment of a Special Deputy Surveyor, as the former can assist the Tahsildar not only in doing subdivision but also in conducting local

enquiry into the valuation of the lands etc. In the circumstances, I request that the Board may be pleased to obtain sanction for the special staff.

The cost of the establishment will be about Rs.260/- for a period of three months. The Executive Engineer, Bellary reports that no specific budget provision has been made in his estimate to meet this cost but that it can be met from the savings in 'other items' provided in the several sanctioned estimates whose total is Rs.2,722/-. There is no need to meet the cost of the staff from "22 General Administration".
